**Founders** Lukasz Gadowski | Matthias Spiess (Co-founder)

**About us** [Spread Group](#) is a collection of five digital brands that empowers self-expression. We enable individuals and businesses to express themselves with print-on-demand products they can use, wear and carry.

The core of our business model is based on the idea that we only print what the customer wants when they want it. Consumers and businesses can customise clothing and accessories with [Create Your Own. Spreadshirt Marketplace](#) connects our global designer community with customers on Spreadshirt domains and External Marketplaces like Amazon and Ebay. Entrepreneurs can sell merch via their own free online [Spreadshop](#). Groups can get their matching kit at [Teamshirts](#). Finally, [SPOD](#) gives merchants using external shop systems access to our network of fulfillment facilities.

Founded in 2002, today our brands connect with customers, businesses, designers and sellers in over 170 countries via 18 domains in 12 languages. Powered by five production facilities across the United States and Europe, we deliver on-demand printing solutions at market-leading speeds with sustainable practices.

In 2020, we hit global revenue of \$195m, printed more than 9.8 million items and employed 1000 people from 40 countries.
